

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

MiTek sliding connectors

produced by the manufacturer

MiTek Finland Oy

Sepänkatu 7-9, 11710 RIIHIMÄKI, FINLAND

in the factory Karstula, Finland

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Inspecta Sertifiointi Oy has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in the European Technical Approval

ETA-12/0138

were applied.

This certificate was first issued on **2012-12-05** and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly, however not after 2017-05-08. The validity of the certificate can be checked on the Internet at www.inspecta.fi.

The certificate is issued on 2012-12-05
